

Spring 2017

Prairie View

Community Association

The PVCA is a group of community members like yourself who offer up their time to benefit the community as a whole. **This year the PVCA has an urgent need for new Events, Facilities, and Program Coordinators to be able to continue its operations.**

Our executive group meets the first Monday of every month. We are always looking for new people to join our association, so if you have time to spare and want to get involved, please email us at pvca@sasktel.net and one of us will be happy to get in touch with you!

The PVCA offers affordable programs in our community. Please join us on Registration Night to sign up for your favourite activity and meet new people in the community.

Thanks to everyone who came out and made our 2016 Fall and Winter Program Registrations so successful!

Our Fall 2017 Program Registration Night and our Annual General Meeting will take place on Tuesday, September 12th. Look for our program guide in our next newsletter!

AGM - 6:30pm Program Registration - 7pm

City-Wide Registration Information

To participate in any city-wide community association program, the following basic conditions apply:

- A community association membership is required from your local community association. The membership is now \$10 per household and expires each year on August 31st.
- Community memberships are non-refundable.
- Registration for each program is processed on a first-come, first-served basis. Each class will have a minimum required amount of participants to run.
- Registration will not be accepted by phone or email. If you are unable to attend on the scheduled registration night, it is possible to have a friend or family member register for you.
- Registration forms for programs that you wish to take that are offered through another community association are to be filled out at the PVCA registration night (without payment). You will be contacted by the association offering the program only if there is still space available, at which time payment arrangements can be made. Please note that priority is given to local residents of a community association when establishing the list of participants.

Scholarship News!

The PVCA is proud to offer one \$500 scholarship for post- secondary education. It is open to grade 12 students from Riffel, O'Neil, Winston Knoll or Thom schools, provided the individual lives in the Prairie View area. We are also making it available to young people up to age 22, who will be continuing their education.

Emphasis will be placed on the applicant's volunteer activities.

Application details will be available from school guidance counsellors or by contacting the PVCA via email: pvca@sasktel.net. **The deadline for applications is May 15th, 2017.**

In addition, each year, a Community Spirit Award is awarded at McLurg Elementary and Ruth M Buck Elementary.

About Prairie View

Prairie View Neighbourhood is a family-oriented residential area situated on the City limits in the central northwest sector of the City between Ring Road on the north and the CN railyards to the south. It is a westward extension of development from Normanview West.

The neighbourhood developed rapidly between 1971-1985 period. The predominate housing type is single-detached (88 per cent) with the remainder being apartment buildings. Population levels are still increasing with new residential development and family formation. Population increased significantly from 1991 to 1996, growing by 6.3 per cent. The two largest age groups include the 35-44 year and 5-19 year age groups.

Just search for “Prairie View Community Association” and send us a Membership Request!

REGINA WEST ZONE TAEKWON-DO

Experience the Power of Confidence!

West Zone Taekwon-Do offers classes orientated towards a recreational family program for fitness, co-ordination and self discipline, while learning the art of Taekwon-Do Self Defence. Master Clint Norman (ITF 8th Dan Black Belt) and his assistants provide instruction.

Taekwon-Do is not only physical training. It also teaches the student to observe and put to use the "TENETS OF TAEKWON-DO" – COURTESY, INTEGRITY, PERSEVERANCE, SELF-CONTROL and INDOMITABLE SPIRIT. Taekwon-Do training for children and teens results in improved physical and mental fitness as well as a heightened level of confidence and self-esteem and will surely aid in the development of successful and respected members of the community. Adults of all ages can benefit from the exercise leading to improved fitness and enjoyment of a healthier lifestyle.

Come out & experience the power of confidence through the art of Taekwon-Do!

INTRODUCING THE MCLURG SCHOOL PLAYGROUND REDEVELOPMENT PLAN

Our project began with the need to replace the primary play structure at McLurg School. Due to the age and deterioration of this structure, it will be removed in June of 2017. Subsequently, we will then install new playground equipment which is CSA and ADA compliant. The surrounding ground covering will be upgraded from pea rock to wood mulch and framed off with wood timbers and a wheelchair accessible ramp to permit easy access to the new structure for children of all abilities. This will finalize Phase 1 of our initiative which is projected to be completed by June 30, 2017.

During our planning process, it was decided to continue to update the schoolyard by transforming it into a more welcoming, park-like and community minded location. To do this we will build upon existing elements with the addition of an outdoor classroom, natural play pit, adventure play mounds, as well as trees, shrubs, grass, and pathways. These phases (2-4) will be completed as funding allows.

We need your help! Do you work for, or are you connected to a corporation or business that is community-minded and willing to contribute to the McLurg Playground Redevelopment Project? Are you interested in making a family or group donation? All donations over \$25 will receive a tax deductible receipt. Any donations over \$500 will be acknowledged on a commemorative plaque located near the new play structure as well as on our Facebook page and in our school and community newsletters.

Thank-you for your interest in helping our community grow!
