

Spring 2018

Prairie View

Community Association

The PVCA is a group of community members like yourself who offer up their time to benefit the community as a whole. **This year the PVCA has an urgent need for a new Facilities Coordinator.**

Our executive group meets the first Monday of every month. We are always looking for new people to join our association, so if you have time to spare and want to get involved, please email us at pvca@sasktel.net and one of us will be happy to get in touch with you!

The PVCA offers affordable programs in our community. Please join us on our Registration Nights to sign up for your favourite activity and meet new people in the community.

The PVCA is looking for YOUR suggestions for courses that you would like to see offered in the community. Your feedback either via Facebook or email would be greatly appreciated!

Of course, in order to start new programs, we need the help of individuals with a skill or expertise that they would like to teach to others. We especially are hoping to be able to offer more programs for children in the coming seasons. If this sounds like the opportunity for you, please don't hesitate to reach out to us!

City-Wide Registration Information

To participate in any city-wide community association program, the following basic conditions apply:

-A community association membership is required from your local community association. The membership is now \$10 per household and expires each year on August 31st.

-Community memberships are non-refundable.

-Registration for each program is processed on a first-come, first-served basis. Each class will have a minimum required amount of participants to run.

-Registration will not be accepted by phone or email. If you are unable to attend on the scheduled registration night, it is possible to have a friend or family member register for you.

-Registration forms for programs that you wish to take that are offered through another community association are to be filled out at the PVCA registration night (without payment). You will be contacted by the association offering the program only if there is still space available, at which time payment arrangements can be made. Please note that priority is given to local residents of a community association when establishing the list of participants.

2018 Fall PVCA Trade Show

Our 2017 Trade Show was so successful that we couldn't wait any longer to tell everyone that we will be back this year!

Save the Date! November 17th @ McLurg School

Stay tuned in the coming months for information for both vendors and attendees!

PVCA Spring 2018 Programs

Cross Train City Fitness with Kyla

McLurg School Main Gym

Apr 9 to May 28 6:30-7:30 pm Cost: \$35

Email pvca@sasktel.net to register

This class includes the perfect combination of heart pumping cardio and strength training. By changing the equipment and format (which includes Tabata) each week, it will increase the calorie burn and enable a total body workout. This class is for all fitness levels and will be modified to fit everyone's needs. A great class for men too!

Zumba with Kerri

McLurg School Main Gym

Chairperson's Report 2018

Hello, my name is Daren Drummond and I am your PVCA Chairperson. My wife and I, Gaylene, have lived in this area since 1997.

This past year has been very busy for our CA. We have been very fortunate to have several new volunteers come into our little group. A huge welcome goes out to Janine and Brandon Chay, Valerie Sawcyn, Jon Hayward, Kayla Edgerton, Megan Wiwcharuk and our newest member, Riley Nadoroznick.

We also have some new volunteers who are participating in a recently formed committee. PVCA is actively looking into a major project in our area and it's being spearheaded by new volunteers Stacey Miller, Sheri Whitehead, Riley Nadoroznick, and Karen Brown, who are working with Tawna Ranalli (the West Zone's City Consultant). The committee is looking into the feasibility of replacing the existing play structure in Williston Park with a brand new one! Look for upcoming news, fundraising events, and progress reports regarding this new initiative.

This past year has seen our relationship grow with our partner school, McLurg School on Paynter Cres. We run all our programs through the school, as well as our registration nights, and other special events. Without the cooperation of the staff and Principal, Dean Miezianko, we would not be able to operate. It is through this partnership that we are able to generate the funds that we use to put back into our community. In the past three years we have partnered with the school and helped them to raise the needed funds to complete the school's own playground upgrade.

In November 2017, the PVCA ran its first annual Fall Trade Show. We had over 50 vendors, more than 400 people attended, and we raised over \$1500 for Teddy Bears Anonymous. Many thanks should go out to Janine Chay and Valerie Sawcyn for their tireless efforts in the organization of this event. Their attention to detail and the recruiting of all the vendors made this event a huge success. I'm happy to report that our second annual Fall Trade Show will be held again this fall so look for it on our signs and in the newsletter!

Over the past few years we have been very fortunate to have a few long-term volunteers who are still with us. Gaylene Drummond (Assistant Program Coordinator), has been our longest serving volunteer. Gaylene has served on all positions on the CA, she recruited me and many other volunteers, as well, including: Gwen Barschel (WZ Board rep and membership Coordinator), who is also a long term volunteer who has also served at many positions within the CA, and Corinne Wensley (Secretary). We have seen many great volunteers come and go in the past and it is with great pride that I say thank you to all of you. Of course, without the new volunteers we would be in dire straits right now, so thanks to all off the new volunteers. Having said that, we are always looking for more volunteers. I am proud to say we have an awesome group who work well together. Our City Community Services Liaison, Tawna Ranalli, has also been an invaluable asset to our CA.

In the coming year our Community Association looks forward to working with the Prairie View Community and with the support of our neighbors making our neighborhood a better place!

Daren Drummond, PVCA Chairperson
