## PRAIRIE VIEW COMMUNITY ASSOCIATION

The Prairie View Community Association offers programs for the local community and the city as a whole. The programs aim to make our community safe, to be fun and enriching for all ages and interests. If you have suggestions or feedback for current or future programs, or are interested in instructing, you can reach us via email or the Prairie View Community Association Facebook page.

Our membership fee is \$10 and is valid until August 31st of each year. Memberships can be purchased at registration nights or through our website.

Community programs and events are possible thanks to the continued efforts of our volunteers and those who participate in our programs. If you are interested in volunteering your time and having some fun, let us know!

We offer advertising for businesses and organizations through our newsletters and have three billboards available to advertise community events. For more information, you can reach us via email, visit [pvca.ca](http://pvca.ca), or find us on Facebook.

## WORDS FROM THE CHAIR

A very special thank you to all of our residents who participated in our 50th Anniversary Parade and Park Celebration!

Beginning with the parade, our bike-decorating contestants did not disappoint! The Prairie View Community Association awarded prizes filled with Hi-Tec swag, gift certificates from sponsors WestSide Pizza and Dairy Queen, along with other goodies like free movie passes.

Our parade down Sherwood Drive — led by Jason Mancinelli riding in a Bombardier Ittis driven by Dennis Eberle — was the very first parade ever held in our neighbourhood. I want to thank the Shriners Drill Corps, Queen City Drone with Mike Singleton Photos, the Regina Police Pipes and Drums, and Fenek Farms with Annie the alpaca and Milo the calf, for joining us during their busy summer schedules.

A huge thanks also goes to the City of Regina for providing the police escort that kept us safe, as well as for contributing the largest portion of funds to make this parade and park celebration possible.

We arrived at Williston Park just in time to hear from our dignitaries — City Councillor Mancinelli, Deputy Mayor Sarah Turnbull, and Elder Archie Weenie — who shared inspiring words before cutting the ribbon to our brand-new playground.

Local band Steel Towers anchored the program with familiar hits from the 80s. I hope everyone had a chance to enjoy the bouncy castles, Fenek Farms petting zoo, Joy Filled Face Painting, Spider-Man and Disney's Belle, rock painting, the Platoon 3 fire truck, free popcorn and freezies, as well as our food trucks!

I also want to give a huge shout-out to our event sponsors: WestSide Pizza, Normanview Dairy Queen, Boardwalk, Hi-Tec, VY Infinity, Taylor Automotive, Real District, and the City of Regina!

Much preparation and hard work go into these types of events. Volunteers from both within and outside our community working alongside our PVCA board members, were instrumental in making this day possible. Over a year in the making, it was composed of many moving parts that came together beautifully. Thank you, Prairie View, for making it a spectacular day! And here's to another 50 years for Regina's best neighbourhood!

Save the Date: Our Annual General Meeting takes place on Tuesday, September 9, at 6:30 PM. Come out and meet the volunteers who help make our community a great place to live. Talk to one of us if you're interested in any of our open positions. Please stay afterward for fall program registration, beginning at 7:00 PM.

Some vehicles are built for adventure.  
The Taos is built for everything in between.

Like school drop-offs. Grocery runs. And hopscotch before dinner.

The **Volkswagen Taos** is just the right size for the life you actually live. Roomy enough for real families, efficient enough for real budgets, and stylish enough to make it all feel a little less routine.

Because sometimes, the best part of the journey...  
is the part that happens after you park.

Taos. Big enough for your life. Small enough to make sense.
